Regarding Anthem water rate increase case

Commissioners,

My name is Roger Carson and I live at 42317 N Crosswater Way, Anthem, AZ 85086 within Anthem Country Club, Maricopa County, and water provider for this area, petitioned the State Corporation Commission for a rate increase. I ask you to deny Arizona-American Water's request for rate increases for Anthem residents' water services.

These proposed increases in our water rates are significant and this is not the first rate increase we have had to burden at a time when some people are facing a variety of financial difficulties with job losses, declining income and, in some cases, the loss of their homes. I believe that the current rates are excessive (subsequent to the increase last year) and more increases will affect the already low home values within Anthem.

I recommend that the Commission deny Arizona-American's request for excessive, continuous and unjustified increases in water rates.
